My Darling

I just got back from the skeet range. Boy is my arm sore! That damn gun kicks like a mule. I'm getting better though, broke 19 out of 25 the second time.

Thanks for the valentine honey. Did you notice how much alike ours were? Two minds with the same thought, that's good. We even wrote almost the same thing on them, must be fate.

Couldn't write last night I was too tired, this night flying is rough. I fly again tonight, for the last

time, I hope.

Well at last we had a Sunday that wasn't rainy. I flew instruments this morning for two hours, then some low clouds moved in and flying was called, so we came back, ate, and shoot skeet.

I heard from Sweetie yesterday. He's fine, says hello. He doesn't think he'll be able to make it here by two o'clock. I don't mind much because I think I should have Tom as my best man.

Yes it is funny about last Friday night. Sometimes I miss you so doggone much darling. Wish I wish this time would hurry.

I guess I told you I couldn't get Her wings this weekend, no Open Post. The week always seems so much longer when we don't get off weekends.

Just a minute young lady, I answered your questions about what kind of scotch's are good, so take it easy. and one bottle will be plenty darling. I answered it the day, or day after, I got the letter. Goodnight honey, it takes a few days for mail to get back and forth.

I'm glad we're going to have announcements. I don't know too many people to send them to. Send one to Sue Burnham for me, and the Dalrymples in New Rochelle. and Jean Moberg,

Now, and Dad Nash, and
my Uncle, don't forget him.
and mom probably wants one
to go to Texas, you can
find that out from her.
and try to find out where
Charlie's lounge is, I'd like
him to have one. I guess
you'd better leave Mickey out.
That's all I can think of
now honey. If I think of any
more I'll tell you. I don't
see any sense in sending
to many.

Well I'm not first in
academics here. There's a
student officer, a 1st Lt.

That's ahead of me. But I'm
ahead on time, I've got
fifty three hours now.

Yes, I doubt if I'll
go to Europe, they don't
use 24's over there. I'm
going to the Pacific area

all right. When I do go
over I'll probably fly with
my crew so I haven't
any idea where I'll leave from.
Anyhow you probably wouldn't
be able to be with me. We
just get there and
take off. But that's a long
way off. I said it won't
be until October, why I
try to keep it from you
now? at the earliest
it will be the last of September,
but I doubt it.

Well, since you said
please, I'll tell you. Pinch
bottle is better.

What gave you the idea
that there's anything wrong
between me and sweetie?
He's as busy as I am
we write about once a
month to each other. I've
got one his shirts though.
Tell Woody to tell him that

I'll send it to him when I
can find some string.

I'm not going to tell
you where we're going on
our honeymoon. I'm not sure
yet myself, but I guess I'll
surprise you. We ought to
be able to stay ten days
maybe, so then you can
swim, honey. What a complicated
marriage! Is there anything
else that could happen to us?
I want to get to Annville
a few days early so we
can get somewhat settled
(am I kidding?)

You think I'm afraid
of a Colonel? Or nearly
colonel? Huh! Colonel, Colonel,
hmm, couldn't you just be
a major or less. Well,
Colonel or not, this 2nd Lt.
(or F/O) is giving orders,
and don't try to pull your

IV
your rank on me. Hey
beautiful, have I told you that
I love you yet? You're
tops baby, always stay
that way.

Don't let that family
of mine kid you about
not being able to cook,
Bobby couldn't boil water.
You can do that, or can you?

Have you got them those
pictures back, honey? (Answer
my questions!!!) Send me
a set right away as soon
as you get them please.

I love you darling.
Three weeks from now
we will be married about three
hours. I know I'll be
shaking like a leaf, (I
always do when I get married.)

Angel - I miss you more

every day we're apart.

I noticed on one of your letters some lipstick in the corner where you must have held it between your teeth. I wish it was on me instead of the letter.

I love you darling. Give my best to everyone.

Until a few weeks from now all I can give you is all my love -

Always.
